MASTER MAP

LEGEND

Situated in San Francisco Bay, miles from City of San Francisco, California.
The entire island, about 640 acres reserved for military purposes by executive order November 1850. Certain claims being disallowed it was again reserved by executive order April 20, 1860. Jurisdiction ceded by Legislature of State March 31, 1893. Post established September 1863, as Camp Reynolds. Abandoned in April, 1866, but established as a recruiting station, October 26, 1866.
Latitude 37° 45'
Longitude 122° 23'
In honor of Fort Mc Dowell 1860 * 43, A.G.O. 1900, in honor of the late Major General Mc Dowell, U.S.A.
