GRADUATION EXERCISE
of the
CLASS OF 1968

CALIFORNIA MILITARY ACADEMY
CALIFORNIA ARMY NATIONAL GUARD

Camp San Luis Obispo

California

24 August 1968

ACKNOWLEDGMENT

The California Military Academy is acutely aware of the effort and sacrifices made by its graduates in successfully meeting the rigid discipline and high academic standards of the Academy. It acknowledges that the accomplishments of the cadets are dependent in large measure upon the encouragement and cooperation rendered by the members of their families and by their friends and associates. The Academy gratefully acknowledges the contribution of these persons, which was essential to the successful completion of the curriculum by its graduates.

Grateful acknowledgment is also given to the many officers and enlisted men who have served with the Military Academy, to the unit and organization commanders of the California Army National Guard, and to the U. S. Army Advisor Group. The success of the Academy is the direct result of their valuable and generous assistance.
